2015 WOOLI ART SHOW

FUNDRAISER FOR COASTAL COMMUNITIES PROTECTION ALLIANCE WOOLI

COASTAL COMMUNITIES PROTECTION ALLIANCE - WOOLI

In October 2010 concerned citizens and friends of Woolli formed an association called the Coastal Communities Protect Alliance - Woolli (CCPA) to develop and implement plans for its protection.

WOOLI ART GATHERING

In April 2011 Woolli Art Gathering (WAGS) held it's inaugural exhibition. This included a children's section from local the school and over one hundred works across several media.

Now in it's fifth year the art show has five main categories: works on paper, textile art, sculpyure painting and photography and a successful children's section.

The objective of the event continues to be a fundraiser for the CCPA along with celebrating local creativity.

Woolli Art Show is a proud CVC plunge festival event
