WAG TIME AGAIN....FOR THE 9TH YEAR!

The Woolli Artists Gathering (WAG) is again holding the Wild About Woolli Art Show. WAG, which was formed in November 2010, is composed of people connected with Woolli who are artists, or have an interest in art. The beauty and unique location of Woolli and its surrounding area have attracted many artists and stimulated people to develop their artistic talents. However this growing collection of artists remained largely invisible. Prompted by the Protect Woolli campaign, it was thought important to draw positive attention to the value of Woolli, by collecting and widely promoting Woolli 's artist community. Those who attend meetings and express interest in the Gathering 's aims are members. There is no membership charge or criteria, except for involvement or interest in artistic endeavours. The exhibition has been held every year since 2011.
