### ARTIST'S COMMENT INSTRUCTIONS:

*There is opportunity for the artist to provide a concise comment to accompany each entry. It is intended to display these next to the hung/displayed artwork. The artist can provide a typed or hand-written comment no larger than 7cm x 12cm. There are size limitations on the hanging area therefore an Artist Comment, larger than this format will not be displayed.*

### SWING TAG INSTRUCTIONS:

*In addition to written identification on the rear of your artwork, a swing tag is required for all entries. This is to enable quick identification once the artwork is either hanging or placed. The string attached to the swing tag must be long enough for the swing tag to fall freely from the artwork so it is not obscured by framing. The swing tag is tucked behind the artwork for the Judging (artist name concealed). The swing tag is also required for easy identification by the committee for collection by artist or purchaser at end of Show.*

*artist to attach string to the swing tag and secure it to the artwork - see notes above*
